

25th Anniversary of *The Universe Story* Celebration, November 9, 2017, Oakland, California, and live-streamed, with Brian Thomas Swimme

On November 9, 1992 at Gaia Books in Berkeley, California, Thomas Berry and Brian Thomas Swimme were signing copies of their new book *The Universe Story*. Now, 25 years later, on November 9, 2017 (Thomas Berry's birthday), a 25th anniversary celebration conference will be held from 9:00 am to 9:00 pm at

Valley Center for the Performing Arts
Holy Names University
3500 Mountain Boulevard
Oakland, California 94619

Thomas Spiritbringer will host the event. Brian Thomas Swimme will lead the evening session. For additional details and to register see www.2017yearoftheuniversestory.com. Registration is free, donations are deeply appreciated. If you cannot attend in person, the celebration will be on Facebook Live and on YouTube afterwards. You may contribute to the cost of this event at [Crowdrise Fund Me site](https://www.crowdfunder.com/2017yearoftheuniversestory).

The day will have three sessions based on the cosmogenetic principles of the Universe Story (TUS): Differentiation/Uniqueness; Subjectivity/Interiority; and Communion/Kinship.
