
Wisdom

From *Friends of Silence*, Vol. XIX, No. 5, Nan C. Merrill, Editor

WISDOM is birthed in silence, rising up from the Mystery of the Unseen, a potential grace dwelling within us. At the same time, Wisdom greets us in our daily lives through nature, sacred spaces, the sages among us, a child at play, our creative work, our angels . . . and all is holy. Wisdom is a seed planted by Love that buds and blooms in those whose hearts are receptive and vulnerable, in those whose minds are quieted in prayer listening for the Voice of Silence. Wonder, humility, beauty, peace are but a few of Wisdom's fruits.
